

**YOUR CONTENT.
YOUR MOMENTS.
YOUR LEGACY.**

ACTIVATE THEM WITH SMART VAULT FROM IMES

LOS ANGELES | CHICAGO | NASHVILLE | NEW YORK CITY | TORONTO | LONDON | PARIS

Smart Vault from IMES is a media asset management solution that empowers organisations and individuals to monetise mammoth amounts of content through one centralized easily accessible platform, whenever they want, wherever they want. Your content is thoroughly looked after by experienced and knowledgeable experts which is one of the many reasons why IMES and its Smart Vault solution are trusted by some of the industry's biggest brands.

Businesses choose our **cloud-native, pro security, and user-friendly** MAM solution as their one stop shop media content collaboration tool.

We strongly believe that when it comes to your assets, preservation matters. Access matters. Monetisation matters. **Your content matters.**

WHY SMART VAULT?

01

EASE

Quickly, easily, and securely access your content from anywhere in the world.

02

SIMPLICITY

Smart Vault empowers you to simplify and automate workflows incorporating almost any standard media editing platform - all in seamless collaboration.

03

SECURITY

As part of Iron Mountain, safety and security is in our DNA. You can rest easy knowing our cloud-based digital archive management solution is backed by the worldwide leader in secure asset storage.

04

ONE-STOP SHOP

IMES experts are skilled in end-to-end asset management. Not only do we use cutting-edge technology, but we take a mission-driven, boutique-style approach to our clients' asset management.
